“POSITIVE ACTION CHANGES EVERYTHING”

The Mid-Hudson Intergroup Newsletter

February/March 2008

UPCOMING EVENTS:

March 8	Intergroup meeting, 1pm
April 13	Minithon
April 12	Region6 Assembly

FROM THE CHAIR:

With the New Year came new officers for Intergroup. Our first meeting was January 19th. Rica, our new Treasurer, had good news that our donations in 2007 were more than our expenses, which means we're in the black.

A few meetings have closed but many are holding on, in need of support. They have a core group committed to keeping the meeting going, even for a few. Some meetings have grown, just when some thought they might be in danger of closing.

The majority of the meeting was spent discussing the new motions proposed for World Service Business Conference in May. Again, change is taking place. Many of the proposals deal with including virtual meetings and groups as part of the OA worldwide structure. Other proposals address the issues concerned with the new Public Relations campaign approved last year.

I want to take this opportunity to thank former officers for their devoted service to OA and Intergroup and express my gratitude to those new volunteers, who stepped up to fill service opportunities.

We still need help with minithons.
Love in recovery, Mary Ellen
