There is still time and space!

Intergroup Report

The Mid-Hudson Intergroup members met on Jan 22 in New Paltz. It was reported that the

May retreat registration is going strong.

There are a couple rooms available

for people staying the weekend and many slots for commuters still open. Most of the meeting was spent considering the proposals for the World Service Business Conference in April in Albuquerque, NM. Many of the items concerned editing wording in the ByLaws to include virtual

groups, intergroups and service boards. The discussions went quickly and smoothly and we finished by 3pm.

ME

Your donations are the main income we have to pay for the hotline, website fee, and other expenses. We also use them to send our representative to the World Service Business Conference.
