

## MID HUDSON INTERGROUP NEWSLETTER - AUGUST/SEPTEMBER, 2014

This is the Mid Hudson Intergroup (MHIG) newsletter for the months of August and September, 2014. As such, it fulfills the MHIG bylaws requirement for prior notice of intergroup meetings and other communications. It is a substitute for *PACE* because there is no newsletter editor to prepare one. This text will be posted on the MHIG web site <[www.midhudsonoa.org](http://www.midhudsonoa.org)> in accordance with bylaw requirements.

Our next intergroup meeting is Saturday, September 20, 2014, at 1:00 p.m., in the New Paltz Public Library meeting room where the March 29<sup>th</sup> meeting was finished. **PLEASE NOTE CHANGE IN MEETING DAY AND LOCATION.** *Please note!* The intergroup meeting format has changed; reports on group status from the intergroup representatives precede the regular agenda. It is important that your group send your representative for these reports. (See minutes of last intergroup meeting at <[www.midhudsonoa.org](http://www.midhudsonoa.org)>) Give your OA program and recovery a shot in the arm by stepping up for service at the intergroup level. Many groups are not represented at intergroup meetings by an Intergroup Representative, the first step for intergroup service.

An important motion to amend the bylaws to clarify the operation of Special Events is on the agenda of the September 20<sup>th</sup> intergroup meeting. Text of the motion is available at <[www.midhudsonoa.org](http://www.midhudsonoa.org)> .

A minithon, *SURRENDER*, will be held Sunday, August 24<sup>th</sup> from 9:30 a.m. to 2:00 p.m. in Conference Room Side A, on the 2<sup>nd</sup> floor of the Ambulatory Services Building at the Catskill Regional Medical Center in Harris, NY.
