Submitted by: Mid-Hudson Intergroup Board (Contact: Chuck <chu924@aol.com>)

Intent: To reflect current intergroup practice and eliminate an unnecessary and vacant committee.

Implementation: A revised set of bylaws will be published and posted on the intergroup website.

Cost: No additional cost is foreseen.

Rationale: The pace of technology evolution has made the media held in the Recording Library obsolete and lacking sufficient demand for it due to the wide availability of podcasts.
